

DAY 12 INTRODUCTION

Today the business we are going to talk about is HubPages. Just like Squidoo, HubPages is another excellent place for you to host content and act as part of your traffic-catching network.

You are going to learn how to use HubPages to the best. Something that you need to remember though, every time you create a new site or new piece of content, that is the time for you to use social bookmarking to let the rest of the world know about it.
